Each member represented our school well through their hard work and professionalism as they competed in their events over three days. Our team brought home three trophies and earned "Top 10" medals in several events.

- Priya Neerukonda - 10th Place in Spreadsheet Applications
- Shaan Bajaj - 9th Place in Human Resource
- Raina Jain - 8th Place in Graphic Design Promotion
- Olivia Yang - 8th Place in Spreadsheet Applications
- Vikram Neerukonda - 6th Place in Extemporaneous Speech
- Shaan Bajaj and Nathan Matthews - 3rd Place in Virtual Multimedia and Promotion Team
- Vikram Neerukonda, Raina Jain, Anisha Raman, and Natalie Wu - 2nd Place in Virtual Multimedia and Promotion Team
- Rish Mendi, Rohn Ramani, Shaan Ventrapragada, and Colt Zsinko - 1st Place in Digital Game Design Team

In a separate showcase exhibition, Butler's team of Gabe Fiascone and Rayyan Abuhilal earned "Best in Show" in the Start-Up Enterprise virtual team event. Their exhibition was also awarded "Best in Show" for the entire National Showcase, a competition that included high school and college students.

The dedication of club sponsor Mr. Ken Shum and student BPA leaders for our chapter Anisha Raman, Vikram Neerukonda, Gabe Fiascone, and Shaan Bajaj has paid great dividends in the second year of the BPA program at Butler. Their collaboration and leadership has built upon an already strong foundation and has set the program up to be a beloved Butler program for years to come.

Congratulations to all of our participants. We are thrilled to celebrate your success! Thank you for representing our school and district with such great enthusiasm, pride, and professionalism.

With Viking Pride,
John Hamilton
Principal
